

CMPT 370  
Group A5  
Oct 22<sup>st</sup> Group meeting

This meeting will be a brain storming and work session, focused on finishing the UML diagrams.

Friday October 22<sup>nd</sup>, 11:00am – 5:00pm

Total time: 6 hours

Attendance: All group members were in attendance.

This meeting was a mix of brainstorming and UML work. We focused primarily on producing the UML for the Model of our architecture. The views have also been completed during this time. In addition, all other work that was completed was added to our final work document as an initial rough draft. After our work session, all group members have agreed to finish up their final sections at home so that on October 23<sup>rd</sup> we will be able to finish putting it together and peer edit it.

Next meeting is scheduled for October 23<sup>rd</sup> at 10:00 am.
