

CMPT 370
Group A5
Meeting 0.1

Meeting 0.1: Agenda, group rules, and git coverage.

September 19th, 6:30pm to 8:00pm

Meeting without TA

Attendance: All group members were in attendance.

During the meeting, four objectives were achieved:

- We reviewed what we accomplished last meeting and made sure all members were caught up.
- We went over and completed our group rules document which states the codes of conduct to which we will follow while working together on this project.
- Created our agenda for the first TA meeting, outlining what will be discussed
- Made sure we were able to successfully upload the rules pdf and agenda pdf to the git repository
