CMPT370
Group A5
MeetingOct15

General work meeting, will meet and discuss for 15 minutes what we need to do and everyone's current work.

Saturday October 15th, 1:30 – 5:00
Total time: 3.5 hours.

Attendance: All group member except Mitch were in attendance

During the meeting:
- We discussed who will officially work on what
- Justin/Mac will to architecture, Ryan will do preface/into stuff, Will/Mitch will work on classes and UML.
- Discussed Ideas for classes

The remainder of the time was just a group work session where we occasionally would ask other members for their input.
