CMPT 370
Group A5
Oct 29th Group Meeting

This meeting will be to discuss how we should divide the work on the Testing document

Saturday October 29th, 11:00 am to 12:00 pm

Total time: 1 hour

Attendance: all group members were present.

Summary: We broke the work into sections where:

Justin will work on the Intro.
Ryan will work on View Testing.
Mackenzie will work on Model testing.
Will will work on Controller testing.
Mitch will work on the summary and changes.

Our next meeting will be with the TA on November 1st.
