Agenda 6 for TA meeting 6

TA meeting for October 25th
Items on the agenda:
- Discuss any concerns or comments based on what we accomplished for the design document.
  - What there anything someone did not understand?
  - Are there any concerns regarding how the work was distributed?
  - Any Ideas for next time?
- Discuss a time to meet and get a style guide document together (since it is due next week) as well as the testing document.
- Begin some assigning of the eventual coding aspect of our project:
  - Who will code the GUI's (mainPage, help, properties, ect.) 1 person.
  - Who will work on the team selection GUI (collaborate with the robot librarian) 2 people.
  - Who will work on the game execution? 2 people
    - Note: since this is the primary part of our project, everyone else will join in on working on this after their section is done.
- Any other questions, concerns, comments?
